Dear School Principal:

Fulfilling the requirements of Sabrina's Law can be quite challenging, especially raising food allergy awareness among students. The perfect solution for effective allergy awareness in your school is with my "You Must Be Nuts!" musical performance.

I have just released the first CD all about food allergies titled "You Must Be Nuts!" and have been touring Ontario schools with a fun, interactive, and educational 45-minute live show that touches on many important messages for those with or without allergies, including:

- Medic Alert importance and what it means
- Identifying unusual symptoms and what to do
- Epinephrine awareness
- Keeping friends safe at school and other settings
- Reading ingredients carefully

For a fee of \$225.00, I can play for assemblies of JK-grade 4 students, grade 5-8 students, or both for a reduced fee. I have performance spaces open for the Ottawa region for the following dates:

- April 10-11
- April 14-16
- April 21-23

To inquire about booking, please feel free to email me directly at kyledine@gmail.com or call. Songs and performance details can be found at my website www.kyledine.com.

Hope to visit your school soon!
